

THE BATTERY CHAIR

The Battery Chair Sponsor Donation: \$2,500

The Battery Chair was created from The Battery Conservancy Americas Design Competition in 2012. Canadian designer Andrew Jones was selected by a jury which reviewed 679 submissions from 15 countries.

Manufactured by Maglin Site Furniture, the winning chair is a solid steel frame powder-coated in blue. It is moveable within the new two-acre Battery Oval lawn so visitors can sit where they choose.
