Family Worksheet for K-2nd Grade: Winter at The Battery

NOTE: Remember to print a map and bring it with you on your adventure!
As you move to the different areas of the park, fill in the questions for that area.
Ask a friend or family member for help if you get stuck!

In the Labyrinth

Even though it's winter, a lot of animals are still active in the park. Can you find these signs of animal activity?

Animal tracks
on the ground

Woodpecker
holes

Squirrel's nest
in a tree

Birds eating
winter berries

On the Farm

When winter comes, many plants freeze and break down into soil, and others stay green. Can you find...

Brown, dead plants?

Green, living plants?

Discuss the other differences you notice about the plants you found!

Please follow social distancing guidelines
while in the park, to protect yourself and others.

THE BATTERY

Please follow social distancing guidelines while in the park, to protect yourself and others.

In the Bosque

Many of the trees in the park lose their leaves in the fall to help them save energy through the long winter. Find a tree that has lost its leaves, and **draw a picture** of it here. Be sure to include some details that you notice about the tree!

A large, empty rectangular box with a black border, intended for a drawing of a tree without leaves.

By the Water

Using words from the word bank below, **describe the weather** today.

WORD BANK

CLOUDY WARM
RAIN COLD HOT
PARTLY CLOUDY
WINDY SNOW
SUNNY

Thank you for visiting! We hope you enjoyed exploring the park.
